SAN DIEGO YACHT SHARES

San Diego Yacht Shares LLC is offering a 1/6 interest in a spectacular 2012 Jeanneau 54 sailing yacht. This opportunity combines several benefits, operational and fiscal management services, shared expenses, improved safety, and at your option provides full concierge services for your family, friends, clients and business associates. This is a shared use contract so the portion of your entertainment expenses associated with clients and business associates may be tax deductible.

The principals of SD Yacht Shares are combining their experience in shared yacht ownership, yacht management, chartering services, and the food & beverage services to provide a cost effective and effortless means to yacht ownership. SD Yacht Shares manages the fiscal and legal matters, arranges and contracts for; vendors, insurance, the marina, professional captain services, food and beverage services, and marketing responsibilities for the sale of shares

Each share will enjoy six weeks annually and at your option have the availability of more time through the chartering services if needed. A share is priced at \$14,000.00 and each share has a 1/6 responsibility in the operating costs. Families, friends, and businesses may purchase a single or multiple shares. Operation of the boat however is limited to individuals, qualified by a SD Yacht Shares licensed captain, and included on the insurance policy. Monthly operating costs are projected in an operating budget to be \$550 per month and the billing will always be the same amount every month. There are also provisions provided in the attached agreement safeguarding against exceptional items.

Our experience demonstrates that this is a much more flexible way of owning a yacht and that the entry and exit process is much simpler, and generally more expedient, than buying and selling a boat outright. You have the right to sell your share at any time and at your option SD Yacht Shares will manage the marketing and sale for you. Share transfers are covered in more detail in the attached Agreement.

Even though your benefits from entertaining clients may be very important to your business the satisfaction and joy your family and friends will experience from this beautiful yacht stationed in San Diego will far surpass your expectations
